

Interested in a career in Childcare, Social Services,
Health Care, Nursing or Teaching?

... or promoting this as a career

This international conference showcases the need for a more diverse workforce in all areas of care. This will give practitioners, colleges and those hoping to join the workforce an opportunity to hear examples of good practice. They will also learn about the challenges and opportunities both here and in Europe.

This event will look at Social Work Childcare, Primary Education and Nursing from the perspective of trying to make a more gender balanced workforce and increase the number of men.
